Subject: FY 2001 Federally Funded Research and Development
Centers (FFRDC) Staff Years of Technical Effort (STE)
Allocations and Funding Limitations

My October 6, 2000, memorandum provided the FY 2001 FFRDC
STE allocations. This memorandum addresses funding limitations
to support the authorized STE. It does not include funding for
procurement of capital equipment. Sponsors will assure that each
FFRDC complies with this guidance and that this office is
immediately advised if there is any expectation that the
limitation cannot support the authorized STE.

Questions related to this matter can be addressed to Mr. Jay
Minsky at (703) 845-2202, Fax (703) 379-1731.
