## SECURITY NOTICE

You have reached a United States Government Server. Unauthorized access is prohibited by Public Law 99-474, The Computer Fraud and Abuse Act of 1986, and can result in administrative, disciplinary or criminal proceedings.

This is a Department of Defense Server. This Server, including all related equipment, networks and network devices (specifically including internet access), are provided only for authorized U.S. Government use. DOD Servers may be monitored for all lawful purposes, including to ensure that their use is authorized, for management of the system, to facilitate protection against unauthorized access, and to verify security procedure, survivability and operational security. Monitoring includes active attacks by authorized DOD entities to test or verify the security of this system. During monitoring, information may be examined, recorded, copied and used for authorized purposes. All information, including personal information, placed on or sent over this system may be monitored.

Use of this DOD Server, authorized or unauthorized, constitutes consent to monitoring of this system. Unauthorized use may subject you to criminal prosecution. Evidence of unauthorized use collected during monitoring may be used for administrative, criminal or other adverse action. Use of this system constitutes consent to monitoring for these purposes.

# CONTRACT PROPERTY MANAGEMENT SYSTEM

The Contract Property Management System (CPMS) is an automated system for storing the data related to Government Property in the custody of contractors to the Department of Defense which is reported by contractors annually on DD Form 1662. CPMS also generates reports for use in the analysis of the data. This web site is intended for authorized contractors to be able to add, edit, and view information related to their CAGE code.
