MEMORANDUM FOR HQ AFMC/PK

FROM: SAF/AQC
1060 Air Force Pentagon
Washington DC 20330-1060

SUBJECT: Request for Delegation of Civilian Certification Authority
(Your Memo, 29 Jul 96)

Per your request, I concur with granting the authority to approve civilian Acquisition Professional Development Program (APDP) Level III Contracting Certifications to HQ AFMC/PK. As stated in the subject memo, this approval is based on HQ AFMC/PK not delegating this authority to the field, continuing to use the Contracting and Manufacturing Civilian Career Program office process to determine APDP certification eligibility of civilians, and that Level III fulfillment authority will continue to reside with SAF/AQC.

If you have any questions, please contact Mike Sullivan, AQCX, DSN 225-9051.
